Pursuant to title 27 of the California Code of Regulations, section 21650 subdivision (e), the Solano County LEA will be holding an informational meeting regarding the two following projects:

(1) Proposed Revision to Solid Waste Facility Permit (SWFP) No. 48-AA-0075, Potrero Hills Landfill

The LEA accepted an application to revise the Potrero Hills Landfill SWFP on October 6, 2011. The proposed revision to the landfill's permit includes, but is not limited to:

a) Increase in height from 320 feet to 345 feet.
b) Horizontal expansion from 320 acres to 525.7 acres.

The LEA's preliminary decision is to approve the proposed revision to the SWFP.

(2) Proposed new Compostable Materials Handling Facility Permit (CMHFP), Permit No. 48-AA-0084, Potrero Hills Compostable Materials Handling Facility.

The LEA accepted an application to issue a new CMHFP for the Potrero Hills Compostable Materials Handling Facility on October 19, 2011. The proposed compostable materials handling facility permit will allow, but is not limited to:

a) Receipt up to 200 tpd average; 320 peak tpd of compostable material
b) Compost facility to be 22 acres in size on top of existing landfill space.

The LEA's preliminary decision is to approve the CMHFP for the compostable materials handling facility.

The public information meeting will allow interested parties to learn more about the proposed permit revision and the proposed new permit, and to provide comments to the LEA regarding the proposed actions.

Prior to the hearing, the project application(s) and environmental document(s) may be reviewed by appointment in the LEA office. If you would like to comment on the projects you may do so at the meeting, or you may send written comments to the LEA contact listed above. Written comments must be received by 5:00 P.M. on November 9, 2011.

For information on the appeals process pursuant to Public Resource Code, section 44307 after the decision to issue or deny the permit revision or new permit has occurred, contact Marcy Hannum at (707) 784-3303.
