EXHIBIT III

Chapter 28, DEFINITIONS

Sec.28.01 DEFINITIONS

Complementary Commercial Facilities. Small commercial facilities which complement and support marsh oriented recreational uses, including bait shop, small boat rental and refreshment stand.

Hunting Club. A facility, place or building licensed as a commercial hunting club under State Fish and Game Code 3240.5 or licensed as a game bird club under State Fish and Game Code 3270, including approved incidental uses to the licensed faculties. Facilities may include cooking facilities and sleeping quarters or bunkhouses for limited stays of not more the six months. Facilities must be connected to an approved sewage disposal system.

Marsh Oriented Recreation. Marsh-oriented recreational uses and use incidental to recreation, including park, interpretive center, day-use facility, lodge, club or resort for swimming, boating, sailing, fishing, hunting or shooting, and raising of game, fishing pier and boat ramp, small craft docking and storage incidental to a small craft docking facility; commercial recreation uses, including bait shop and refreshment stand, and similar types of uses as may be determined by the Planning Commission.
