**Re: SB 42 (Wolk) – The California Clean, Secure Water Supply and Delta Recovery Act of 2014
- SUPPORT**

Dear Senator Wolk,

On behalf of the Solano County Board of Supervisors, I am pleased to write to you in **SUPPORT** of your **SB 42**, The California Clean, Secure Water Supply and Delta Recovery Act of 2014.

The importance of the Delta cannot be overstated. The Delta supports statewide agriculture operations, water supply infrastructure and ecological resources which are vital to California's economy. However, frequent droughts, polluted aquifers, aging infrastructure, inadequate flood protection, a changing climate and other challenges threatens State and local government's ability to protect this critical resource.

Immediate action is necessary to help reverse the eco-system decline of the Delta. The passage of SB 42 and the approval of the subsequent bond funding will improve local, regional and statewide water resource management and help ensure that communities will be able to efficiently and effectively respond to the challenges of preserving and restoring the Delta.

For these reasons, the Solano County Board of Supervisors is pleased to **SUPPORT** your **SB 42**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Linda J. Seifert", is written over a circular stamp or seal.
