## INFORMATION RELEASE

**Narcotics Search Warrant Served in Vallejo**  
Solano County Sheriff's Office

**November 5, 2009**

Solano County Sheriff's Cal-MMET (California Multi-Jurisdictional Methamphetamine Enforcement Team) and Sol-NET (Solano County Narcotics Enforcement Team) detectives witnessed a street level narcotics transaction in the city of Vallejo. Detectives identified the person selling the narcotics as Tricia Felix, a 36-year old Vallejo resident. Detectives then obtained a search warrant for Felix's residence which is located on the 1000 block of Virginia Street, in Vallejo. Cal-MMET Detectives Sol-NET Detectives along with the Vallejo Police Department's Crime Suppression Team made entry into the residence and discovered approximately two ounces of methamphetamine, evidence to support the sales of methamphetamine as well as Vicodin tablets for sale. Other occupants inside the residence attempted to flush methamphetamine down the toilet as officers were gaining entry into the home, but were not able to get rid of all the methamphetamine. An 8-year old child was removed from the home by Solano County Child Protective Services. Felix was arrested for sales of methamphetamine, sales of narcotics, destruction of evidence, and child endangerment. Two other people were in the home at the time of the search warrant service. They have been identified as 29-year old Abdul Boatman, and 40-year old Marquis Warren. Boatman was arrested for possession of methamphetamine, drug paraphernalia, and held on a parole violation. Warren was arrested for sales of methamphetamine, sales of narcotics, and destruction of evidence. Felix was booked into the Solano County Jail and held on \$33,333 bail. Warren was also booked in the Solano County Jail and held on \$18,333 bail. Boatman was booked into the Solano County Jail and is being held on a no-bail parole hold.
