RE: FY 2012-13 State Budget - Redevelopment Pass-through Revenues

Dear Senator Wolk:

On behalf of the Solano County Board of Supervisors, I wish to extend our most sincere appreciation for your tremendous work that ensured redevelopment pass-through agreements remained protected in the final enactment of the state budget.

Without your leadership, the loss of redevelopment pass-through agreements would have resulted in as much as \$16.5 million to Solano County who relies heavily on these General Fund revenues to provide critical public safety and public health services to the community. Your continued advocacy on behalf of Solano County is deeply appreciated and we are fortunate to have such a strong and tireless representative in Sacramento.

Again, thank you for your leadership on this issue. I look forward to our continued collaboration.

Sincerely,

Linda J.Seifert, Chair

Solano County Board of Supervisors
