The DOJ was impressed with the number of packets entered into the system. Solano County will participate in a three-county pilot project with DOJ to understand challenges of data collection at the local level.

DRC and Substance Abuse/Mental Health Subcommittee Report *(See Handout-DRC and MH/Substance Abuse Subcommittee Report)*

Patrick Duterte reported the Day Reporting Center and Substance Abuse/Mental Health Subcommittee met on June 29, 2012 and July 10, 2012 to identify challenges, develop a vision, and set goals and objectives which encompass a continuum of care. The committee affirmed the eight core elements of the DRC Framework. The Probation Department will assume oversight and administrative responsibilities for the DRC in Solano County.

Donna Robinson reported on the future progression of the DRC. The Subcommittee established four operational workgroups which will be responsible for obtaining detailed information on the core elements of the DRC.
