Question:

How long will I have to wait before I can get CalFresh?

Answer:

If eligible for expedited services 3 calendar days, otherwise no more than 30 days.

Question:

Can legal non-citizens get CalFresh?

Answer:

Yes, most legal non-citizens are eligible for either the Federal SNAP Program or the California Food Assistance Program. **Getting CalFresh will not hurt you if you want to become a citizen.**

Question:

How much in resources can we have?

Answer:

The rule on resources has recently changed. For most households' resources are not included when determining CalFresh eligibility. In addition, we don't count the home you live in or the resources of people who get SSI.
