1 INTRODUCTION

1.1 Statement of Purpose

The purpose of this Request for Proposals (RFP) is to define the County's minimum requirements, solicit proposals, and gain adequate information by which the County may evaluate the services offered.

The County of Solano, Health and Social Services, hereinafter referred to as the County, intends to secure a contract to provide adoption promotion and supportive services to potential, prospective and adoptive families.

1.2 Scope of Service

Attachment A of this RFP contains the minimum list of services and deliverables the selected Contractor is expected to provide the County.

Attachment C of this RFP contains the general terms and conditions required by the County.

1.3 Contract Duration

The County intends to enter into a contract with an effective period of January 8, 2013 through June 30, 2014.

The County reserves the right to extend this Contract for an additional period or periods of time representing increments of no more than one year and a total contract term of no more than five (5) years.

1.4 Letter of Intent to Propose

A letter indicating a vendor's intent to respond to this RFP should be sent to the RFP Coordinator (refer to Section 3.1) no later than the *Letter of Intent to Propose* deadline date detailed in Section 2, RFP Schedule of Events. *Letters of Intent to Propose* may be delivered by facsimile. Vendors may withdraw their *Letters of Intent to Propose* at any time before the deadline for submitting a proposal.

The following information should be included in the *Letter of Intent to Propose*:

- Vendor Name
- Name and Title of Vendor Main Contact
- Address, Telephone Number, and Facsimile Number and email address of the Vendor Main Contact
- Signed Statement of Intent to Propose

Submittal of a *Letter of Intent to Propose*, by the specified deadline, is a prerequisite for submitting a proposal.

1.5 Proposal Deadline

Proposals shall be submitted no later than the Proposal Deadline time and date detailed in Section 2, RFP Schedule of Events. Potential contractors or vendors shall respond to the written RFP and any exhibits, attachments, or amendments. Failure to submit a proposal as required before the deadline shall cause the proposal to be disqualified.

Potential contractors or vendors assume the risk of the method of dispatch chosen. The County assumes no responsibility for delays caused by any delivery service. Postmarking by the due date shall not substitute for actual proposal receipt by the County. Late proposals shall not be accepted nor shall additional time be granted to any potential contractor or vendor.

Proposals may not be delivered orally, by facsimile, or by other telecommunication or electronic means.

1.6 Nondiscrimination

No person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the County's contracted programs or activities on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by federal or California State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the County or in the employment practices of the County's contractors. Accordingly, all vendors entering into contracts with the County shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

1.7 Assistance to Potential Contractors or Vendors with a Disability

RFP# G99-1024-05

3.3 Communications Regarding the RFP

- 3.3.1 Upon release of this RFP, all vendor communications concerning this procurement must be directed to the RFP Coordinator. Unauthorized contact regarding the RFP with other County employees of the procuring county agency may result in disqualification.
- 3.3.2 All communications should be in writing to the RFP Coordinator. Any oral communications shall be considered unofficial and nonbinding on the County. Written Comments, including questions and requests for clarification, must cite the subject RFP number. The RFP Coordinator must receive these written requests by the deadline specified in the RFP Schedule of Events.
- 3.3.3 Any communication regarding this RFP sent by facsimile must also be sent by United States mail on the same date.
- 3.3.4 The County shall respond in writing to written communications. Such response shall constitute an amendment to the RFP. Only written responses to written communications shall be considered official and binding upon the County. The County reserves the right, at its sole discretion, to determine appropriate and adequate responses to written comments, questions, and requests for clarification.
- 3.3.5 The County shall mail copies of its written responses to individuals who submitted written comments, all vendors submitting a *Letter of Intent to Propose*, as well as being posted on to the County website.
- 3.3.6 Any data or factual information provided by the County shall be deemed for informational purposes only, and if a potential contractor or vendor relies on said factual information it should either:
- a) independently verify the information; or
 - b) Obtain the County's written consent to rely thereon.

3.4 Required Review and Waiver of Objections by Potential Contractors or Vendors

Potential Contractors or Vendors should carefully review this RFP and all attachments, including but not limited to the General Terms and Conditions, for comments, questions, defects, objections, or any other matter requiring clarification or correction (collectively called "comments"). Comments concerning RFP objections must be made in writing and received by the County no later than the Deadline for Written Comments detailed in Section 2, RFP Schedule of Events. This will allow issuance of any necessary amendments and help prevent the opening of defective proposals upon which contract award could not be made.

Protests based on any objection shall be considered waived and invalid if these faults have not been brought to the attention of the County, in writing, by the Deadline for Written Comments.

3.5 Proposal Submittal

3.5.1 Potential contractors or vendors shall respond to this RFP with a Technical Proposal and a Cost Proposal. No pricing information shall be included in the Technical Proposal.

Inclusion of Cost Proposal amounts in the Technical Proposal shall make the proposal non-responsive.

One (1) original, three (3) copies, and one (1) electronic version of the Technical Proposal shall be submitted to the County in a sealed package and be clearly marked:

"Technical Proposal in Response to #G99-1024-05 --- Do Not Open"

One (1) Cost Proposal, three (3) copies, and one (1) electronic version shall be submitted to the County in a separate, sealed package and clearly marked:

"Cost Proposal in Response to #G99-1024-05--- Do Not Open"

If the separately sealed proposals, marked as required above, are enclosed in another container for mailing purposes, the outermost container must fully describe the contents of the package and must be clearly marked:

"Contains Separately Sealed Technical and Cost Proposals"

3.5.2 All proposals must be submitted to the RFP Coordinator at the following address by the date and time identified as the Deadline for Submitting a Proposal in the RFP Schedule of Events.

Solano County Health and Social Services
275 Beck Avenue, MS 5-220
Fairfield, California 94533

3.6 Proposal Preparation Costs

The County shall not pay any costs associated with the preparation, submittal, or presentation of any proposal.

3.7 Proposal Withdrawal

To withdraw a proposal, the vendor must submit a written request, signed by an authorized representative, to the RFP Coordinator. After withdrawing a previously submitted proposal, the vendor may submit another proposal at any time up to the deadline for submitting proposals.

3.8 Proposal Amendment

The County shall not accept any amendments, revisions, or alterations to proposals after the deadline for proposal submittal unless such is formally requested, in writing, by the County.

3.9 Proposal Errors

Potential Contractor or Vendors are liable for all errors or omissions contained in their proposals. Potential Contractor or Vendors shall not be allowed to alter proposal documents after the deadline for submitting a proposal.

3.10 Incorrect Proposal Information

If the county determines that a potential contractor or vendor has provided, for consideration in the evaluation process or contract negotiations, incorrect information which the potential contractor or vendor knew or should have known was materially incorrect, that proposal shall be determined non-responsive, and the proposal shall be rejected.

3.11 Prohibition of Potential Contractor or Vendor Terms and Conditions

A Potential Contractor or Vendor may **not** submit the Potential Contractor or Vendor's own contract terms and conditions in a response to this RFP. If a proposal contains such terms and conditions, the County, at its sole discretion, may determine the proposal to be a non-responsive counteroffer, and the proposal may be rejected.

3.12 Assignment and Subcontracting

3.12.1 The Contractor may not subcontract, transfer, or assign any portion of the contract without prior, written approval from the County. Each subcontractor must be approved in writing by the County. The substitution of one subcontractor for another may be made only at the discretion of the County and with prior, written approval from the County.

3.12.2 Notwithstanding the use of approved subcontractors, the potential Contractor or Vendor, if awarded a contract under this RFP, shall be the prime Contractor and shall be responsible for all work performed.

3.13 Right to Refuse Personnel

The County reserves the right to refuse, at its sole discretion, any subcontractors or any personnel provided by the prime Contractor or its subcontractors.

3.14 Proposal of Alternate Services

Proposals of alternate services (*i.e.*, proposals that offer something different from that requested by the RFP) may be considered non-responsive and rejected.

3.15 Proposal of Additional Services

If a Potential Contractor or Vendor indicates an offer of services in addition to those required by and described in this RFP, these additional services may be added to the contract before contract signing at the sole discretion of the County.

The cost for any such additional services must be incorporated into the required cost amount(s) provided in the Cost Proposal so that all proposals may be equitably evaluated. The Potential Contractor or Vendor shall **not** propose un-requested rates as separate, additional rates for additional services. (Refer to Section 5.3 of this RFP for Cost Proposal requirements.)

3.16 Independent Price Determination

3.16.1 A proposal shall be disqualified and rejected by the County if the price in the proposal was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to such prices with any other Potential Contractor or Vendor, a County employee, or any competitor.

3.16.2 The Potential Contractor or Vendor is prohibited from submitting more than one proposal. Submittal of more than one proposal shall result in the disqualification of the Potential Contractor or Vendor.

3.16.3 The Potential Contractor or Vendor is prohibited from submitting multiple proposals in a different form (i.e., as a prime contractor and as a subcontractor to another prime contractor). Submittal of multiple proposals in a different form may result in the disqualification of all potential Contractor or Vendors associated with a multiple proposal.

3.16.4 Should any such prohibited action detailed in Sections 3.16.1, 3.16.2, and 3.16.3 be detected any time during the term of the contract, such action shall be considered a material breach and grounds for contract termination.

3.17 Insurance

The apparent successful Potential Contractor or Vendor may be required to provide proof of adequate worker's compensation, general, automobile and/or professional liability insurance coverage before entering into a contract. Additionally, the County may, at its sole discretion, require the apparent successful potential Contractor or Vendor to provide proof of adequate professional malpractice liability or other forms of insurance. Failure to provide evidence of such insurance coverage is a material breach and grounds for termination of the contract negotiations. Any insurance required by the County shall be in form and substance acceptable to the County. Specific insurance requirements for this contract are listed in Attachment C, Section 7.

3.18 Licensure

Before a contract pursuant to this RFP is signed, the Vendor must hold all necessary, applicable business and professional licenses. The County may require any or all potential Contractor or Vendors to submit evidence of proper licensure.

3.19 Conflict of Interest and Proposal Restrictions

3.19.1 By submitting a proposal, the Potential Contractor or Vendor certifies that no amount shall be paid directly or indirectly to an employee or official of the County of Solano as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Potential Contractor or Vendor in connection with the procurement under this RFP.

Notwithstanding this restriction, nothing in this RFP shall be construed to prohibit a county agency or other governmental entity from making a proposal, being considered for award, or being awarded a contract under this RFP.

3.19.2 County agencies shall not contract with an individual who is, or within the past six months has been, an employee of the County of Solano. An individual shall be deemed a County employee until such time as all salary, termination pay, and compensations representing annual or compensatory leave have been paid by the County. A contract with a company in which a controlling interest is held by a County employee shall be considered to be a contract with said individual and shall be prohibited.

3.19.3 Any individual, company, or other entity involved in assisting the County in the development, formulation, or drafting of this RFP or its scope of services shall be considered to have been given information that would afford an unfair advantage over other Potential Contractor or Vendors, and said individual, company, or other entity may not submit a proposal in response to this RFP.

3.20 RFP Amendment and Cancellation

The County reserves the unilateral right to amend this RFP in writing at any time. The County also reserves the right to cancel or reissue the RFP at its sole discretion. If an amendment is issued it shall be provided to all vendors submitting a *Letter of Intent to Propose* as well as posted on to the Solano County website. Potential Contractor or Vendors shall respond to the final written RFP and any exhibits, attachments, and amendments.

3.21 Right of Rejection

3.21.1 The County reserves the right, at its sole discretion, to reject any and all proposals or to cancel this RFP in its entirety.

3.21.2 Any proposal received which does not meet the requirements of this RFP may be considered to be non-responsive, and the proposal may be rejected. Potential Contractor or Vendors must comply with all of the terms of this RFP and all applicable State and County laws and regulations. The County may reject any proposal that does not comply with all of the terms, conditions, and performance requirements of this RFP.

3.21.3 Potential Contractor or Vendors may not restrict the rights of the County or otherwise qualify their proposals. If a Potential Contractor or Vendor does so, the County may determine the proposal to be a non-responsive counteroffer, and the proposal may be rejected.

3.21.4 The County reserves the right, at its sole discretion, to waive variances in technical proposals provided such action is in the best interest of the County. Where the County waives minor variances in proposals, such waiver does not modify the RFP requirements or excuse the potential contractor or vendor from full compliance with the RFP. Notwithstanding any minor variance, the County may hold any Potential Contractor or Vendor to strict compliance with the RFP.

3.22 Disclosure of Proposal Contents

All proposals and other materials submitted in response to this RFP procurement process become the property of the County of Solano. Selection or rejection of a proposal does not affect this right. All proposal information, including detailed price and cost information, shall be held in confidence during the evaluation process. The proposals and associated materials shall be open for review by the public to the extent allowed by the California Public Records Act, (Government Code Section 6250-6270 and 6275-6276.48) upon the final award of the contract by all authorized parties. By submitting a proposal, the Proposer acknowledges and accepts that the contents of the proposal and associated documents shall become open to public inspection.

3.23 Proprietary Information

The master copy of each proposal shall be retained for official files and will become public record after the award of a contract unless the proposal or specific parts of the proposal can be shown to be exempt by law (Government code §6276). Each Potential Contractor or Vendor may clearly label part of a proposal as "CONFIDENTIAL" if the Potential Contractor or Vendor thereby agrees to indemnify and defend the County for honoring such a designation. The failure to so label any information that is released by the County shall constitute a complete waiver of all claims for damages caused by any release of the information. If a public records request for labeled information is received by the County, the County will notify the Potential Contractor or Vendor of the request and delay access to the material until seven working days after notification to the Potential Contractor or Vendor. Within that time delay, it will be the duty of the Potential Contractor or Vendor to act in protection of its labeled information. Failure to so act shall constitute a complete waiver.

3.24 Severability

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected; and, the rights and obligations of the County and Potential Contractor or Vendors shall be construed and enforced as if the RFP did not contain the particular provision held to be invalid.

4 SPECIAL REQUIREMENTS

4.1 Joint Ventures and Partnering

Proposals from joint ventures or entities partnering for a specific service must be designed to minimize any administrative burden on the County as a result of the participation of multiple entities.

4.1.1 The Proposal shall clearly set forth the respective responsibilities and functions that each Principal of the joint venture or partnering entities would perform if awarded a contract pursuant to this RFP.

4.1.2 The Proposal must include a copy of the joint venture or partnering agreements that identify the Principals involved as well as their rights and responsibilities regarding a contract pursuant to this RFP.

4.1.3 The proposal transmittal letter must be signed by each Principal of the joint venture and include all required information.

The purpose of the conference is to discuss the work to be performed with the prospective Potential Contractor or Vendors and allow them to ask questions concerning the RFP. Please RSVP to Julie Sauro at (707) 784-8535 prior to attending the conference.

4.2.2 The county encourages all potential Contractor or Vendors to attend the pre-proposal conference although attendance is mandatory.

4.2.3 Specific questions concerning the RFP should be submitted in writing before the pre-proposal conference so that the County may prepare responses before the conference. Additional questions shall be entertained at the conference; however, responses may be deferred and provided at a later date.

4.2.4 The response to any question that is given orally at the pre-proposal conference is to be considered tentative and nonbinding on the County. After the conference, the official response to questions shall be published in writing. This shall ensure accurate, consistent responses to all vendors. Copies of all written questions and the County's responses shall be mailed to all vendors submitting a *Letter of Intent to Propose* and will be posted on to the Solano County website as well. Only the written responses from the County shall be considered official.

4.3 Location and Work Space

The County SHALL NOT provide work-space for the Contractor.

5 PROPOSAL FORMAT AND CONTENT

5.1 General Proposal Requirements

- 5.1.1 The County discourages lengthy and costly proposals. Proposals should be prepared simply and economically and provide a straightforward, concise description of the Potential Contractor or Vendor's capabilities to satisfy the requirements of this RFP. Emphasis should be on completeness and clarity of content.
- 5.1.2 Potential Contractor or Vendors must follow all formats and address all portions of the RFP set forth herein providing all information requested. Potential Contractor or Vendors may retype or duplicate any portion of this RFP for use in responding to the RFP, provided that the proposal clearly addresses all of the County's information requirements.
- 5.1.3 Potential Contractor or Vendors must respond to every subsection under the Technical Proposal and Cost Proposal sections below. Potential Contractor or Vendors must label each response to RFP requirements with the section and subsection numbers associated with the subject requirement in this RFP (e.g., the response to the third requirement of the Proposal Transmittal Letter would be labeled 5.2.1.3).

Failure to follow the specified format, to label the responses correctly, or to address all of the subsections may, at the County's sole discretion, result in the rejection of the Proposal.

Proposals must not contain extraneous information. All information presented in a Proposal must be relevant in response to a requirement of this RFP, must be clearly labeled, and, if not incorporated into the body of the Proposal itself, must be referenced to and from the appropriate place within the body of the Proposal. Any information not meeting these criteria shall be deemed extraneous and shall in no way contribute to the evaluation process.

- 5.1.4 Proposals shall be prepared on standard 8 1/2" x 11" paper. Foldouts containing charts, spread sheets, and oversize exhibits are permissible. All responses, as well as any reference material presented, must be written in English. All monetary amounts must be detailed in United States currency. All proposal pages must be numbered.
- 5.1.5 Potential Contractor or Vendors shall divide their responses to this RFP into a Technical Proposal and a Cost Proposal and submit them in accordance with Section 3.5 of this RFP by the Deadline for Submitting a Proposal in the RFP Schedule of Events.

Cost Proposal and pricing information shall **not** be included in the Technical Proposal. Inclusion of Cost Proposal dollar amounts in the Technical Proposal shall make the proposal non-responsive and the proposal shall be rejected.

5.2 Technical Proposal

The Technical Proposal shall be divided into the following sections:

Proposal Transmittal Letter;

General Potential Contractor or Vendor Qualifications and Experience; and

Technical Approach

If a proposal fails to detail and address each of the requirements detailed herein, the County may determine the proposal to be non-responsive and reject it.

- 5.2.1 Proposal Transmittal Letter. The Technical Proposal must provide a written transmittal and offer of the proposal in the form of a standard business letter. The Proposal Transmittal Letter shall reference and respond to the following subsections in sequence and attach corresponding documentation as required. Each proposal must meet the Proposal Transmittal Letter requirements and provide all required documentation. A Proposal Transmittal Letter is mandatory, and failure to provide the information as required may result in the proposal being considered non-responsive and rejected.
- 5.2.1.1 The letter shall be signed by a company officer empowered to bind the proposing vendor to the provisions of this RFP and any contract awarded pursuant to it; if said individual is not the company president, the letter shall attach evidence showing authority to bind the company.
- 5.2.1.2 The letter shall state that the proposal remains valid for at least 120 days subsequent to the date of the Cost Proposal opening and thereafter in accordance with any resulting contract between the Potential Contractor or Vendor and the County.
- 5.2.1.3 The letter shall provide the complete name and Social Security Number of the individual or the legal entity name and Federal Employer Identification Number of the firm making the proposal.
- 5.2.1.4 The letter shall provide the name, mailing address, telephone number and email address of the person the County should contact regarding the proposal.
- 5.2.1.5 The letter shall state whether the Potential Contractor or Vendor intends to use subcontractors — if so, clearly identify the names of the subcontractors along with complete mailing addresses and the scope and portions of the work the subcontractors shall perform. (NOTE: The Contractor must obtain written approval from the County prior to the use of any subcontractors.)
- 5.2.1.6 The letter shall state whether the Potential Contractor or Vendor or any individual who shall perform work under the contract has a possible conflict of interest (e.g., employment by the County of Solano) and, if so, the nature of that conflict. The County reserves the right to cancel an award if any interest disclosed from any source could either give the appearance of a conflict of interest or cause speculation as to the objectivity of the potential Contractor or Vendor. Such determination regarding any questions of conflict of interest shall be solely within the discretion of the County.
- 5.2.1.7 The letter shall also include a statement of acknowledgement that the County's Standard Contract (Attachment C) has been reviewed and accepted with or without qualification. If qualifications are involved, those items requiring adjustment or modification must be identified and listed along with suggested modifications to the contract. If no modifications to the contract are noted, then the County will assume that the Potential Contractor or Vendor is capable of performing all normal managerial tasks and services without reservation or qualification to the contract.
- 5.2.2 Contractor or Vendor Qualifications and Experience. Technical Proposals shall provide the following information (referencing the subsections in sequence) to evidence the Potential Contractor or Vendor's experience in delivering services similar to those required by this RFP:
- 5.2.2.1 a brief, descriptive statement indicating the Potential Contractor or Vendor's credentials, background and organizational history to deliver the services sought under this RFP. This statement should also include any information related to the Potential Contractor or Vendor's possession of adoption expertise to address the specialized service needs of this population;

litigation will impair the Potential Contractor or Vendor's performance in a contract under this RFP;

- 5.2.2.3 a statement as to whether, in the last ten years, the Potential Contractor or Vendor has filed (or had filed against it) any bankruptcy or insolvency proceeding, whether voluntary or involuntary, or undergone the appointment of a receiver, trustee, or assignee for the benefit of creditors; and if so, an explanation providing relevant details;
- 5.2.2.4 two (2) customer references for similar projects representing — each reference must include:
- a) the company name and business address;
 - b) the name, title, and telephone number of the company contact knowledgeable about the project work; and
 - c) a brief description of the service provided and the period of service.
- 5.2.2.5 a list, if any, of all current contractual relationships with the County of Solano and all those completed within the previous five year period— the list must include:
- a) the contract number;
 - b) the contract term; and
 - c) The procuring county agency for each reference.

(NOTE: Current or prior contracts with the County are NOT a prerequisite to being awarded the maximum available points for the Potential Contractor or Vendor Qualifications and Experience category. The existence of such current or prior contractual relationships will not automatically result in the addition or deduction of evaluation points. Any such current or prior contractual relationships shall be generally considered in awarding Potential Contractor or Vendor Qualifications and Experience category points.)

5.2.3 Technical Approach. The Potential Contractor or Vendor shall describe the vendor's plans and approach for accomplishing the work requested. The information provided shall be in enough detail to enable the County to ascertain the Potential Contractor or Vendor's understanding of the effort to be accomplished and should outline the steps in the total service proposed. Technical Proposals shall provide the following narrative information (referencing the subsections in sequence) to evidence the suitability of the Potential Contractor or Vendor's technical approach to delivering the services sought under this RFP:

5.2.3.1 Potential Contractor or Vendors must provide a comprehensive narrative, captioned "Project Approach," that illustrates how the Potential Contractor or Vendor will complete the scope of services and accomplish required objectives. Potential Contractor or Vendor must also complete Attachment A-1 (Project Approach) detailing the activities proposed, the responsible staff or agency, how the activities will be documented and/or measured, the number of clients served and the expected outcomes.

5.2.3.2 Potential Contractor or Vendors must provide a comprehensive narrative, captioned "Project Management," that illustrates how the Potential Contractor or Vendor will manage the project. This section must include the following:

- a) a narrative description of the proposed project team, its members, and organizational structure, where applicable;
- b) a personnel roster and resumes of key people who shall be assigned by the Potential Contractor or Vendor to perform duties or services under the contract (include estimated number of hours to be worked on the contract for each person, and the

resumes shall detail each individual's title, education, current position with the Potential Contractor or Vendor, and employment history);

- 5.2.3.3 Potential Contractor or Vendors must provide a comprehensive work plan, captioned "Project Work plan", which includes a timeline illustrating how the potential contractor or vendor will complete the project.

5.3 Cost Proposal

- 5.3.1 The Cost Proposal shall be submitted to the County in a separate, sealed package from the Technical proposal.
- 5.3.2 The Cost Proposal shall specifically record the exact cost proposed in the appropriate space as required by Attachment F. Said proposed cost shall incorporate all cost for the proposed scope of services for the total contract period.
- 5.3.3 The Cost Proposal shall record only the proposed cost as required, and shall not record any other rates, amounts, or information. It shall not record any text that could be construed as a qualification of the cost proposed. If the Potential Contractor or Vendor fails to specify the Cost Proposal as required, the County shall determine the proposal to be non-responsive and reject it.
- 5.3.4 The Potential Contractor or Vendor must sign and date the Cost Proposal.
- 5.3.5 Bidders must also submit their detailed cost proposals in both summary and line item form utilizing Attachment G and Attachment H.

6 EVALUATION AND CONTRACTOR SELECTION

6.1 Proposal Evaluation Categories and Maximum Points

The categories that shall be considered in the evaluation of proposals are Qualifications and Experience, Technical Approach, and Cost. The maximum points that shall be awarded for each of these categories are:

CATEGORIES	MAXIMUM POINTS POSSIBLE
General Contractor or Vendor Qualifications and Experience	20
Technical Approach:	
Project Approach	40
Project Management	20
Project Work Plan	10
Cost Proposal	10

6.2 Proposal Evaluation Process

6.2.1 The evaluation process is designed to award the procurement not necessarily to the Potential Contractor or Vendor of least cost, but rather to the Potential Contractor or Vendor with the best combination of attributes based upon the evaluation criteria. Therefore, proposals are evaluated against the evaluation criteria in this RFP and NOT against other proposals. The County reserves the right at its own discretion to require Proposers to present their offering to the review committee at the County’s site in Fairfield, CA. This requirement will be at the discretion of the review committee and will be based on the results of the detailed review and the ranking of total technical points. Only the highest ranked Proposers will be invited to present their offering. Should proposers be invited to make a presentation, the County will not be liable for any travel expenses or associated costs.

6.2.2 The RFP Coordinator shall manage the proposal evaluation process and maintain proposal evaluation records. A Proposal Evaluation Team made up of three or more members shall be responsible for evaluating proposals.

6.2.3 All proposals shall be reviewed by the RFP Coordinator to determine compliance with basic proposal requirements as specified in this RFP. If the RFP Coordinator determines that a proposal may be missing one or more such requirements, the Proposal Evaluation Team shall review the proposal to determine:

- a) if it meets requirements for further evaluation;
- b) if the County shall request clarification(s) or correction(s); or
- c) if the County shall determine the proposal non-responsive and reject it.

- 6.2.5 The County reserves the right, at its sole discretion, to request clarifications of technical proposals or to conduct discussions for the purpose of clarification with any or all Potential Contractor or Vendors. The purpose of any such discussions shall be to ensure full understanding of the proposal. Discussions shall be limited to specific sections of the proposal identified by the County and, if held, shall be after initial evaluation of Technical Proposals. If clarifications are made as a result of such discussion, the Potential Contractor or Vendor shall put such clarifications in writing.
- 6.2.6 Upon completion of Technical Proposal scoring by the Proposal Evaluation Team, the RFP Coordinator shall calculate the average Technical Proposal score for each proposal.

6.3 Contract Award Process

- 6.3.1 The County reserves the right to make an award without further discussion of any proposal submitted. There shall be no best and final offer procedure. Therefore, each proposal should be initially submitted on the most favorable terms the vendor can offer.
- 6.3.2 After the evaluation of proposals and final consideration of all pertinent information available, the RFP Coordinator shall issue a written Notice of Intent to Award to all Potential Contractor or Vendors. The notice shall identify the apparent best evaluated Potential Contractor or Vendor. The notice shall not create rights, interests, or claims of entitlement in the apparent best evaluated Potential Contractor or Vendor or any vendor.
- 6.3.3 The County reserves the right, at its sole discretion, to negotiate with the apparent best evaluated Potential Contractor or Vendor subsequent to the Intent to Award Notice.
- 6.3.4 The apparent best evaluated Potential Contractor or Vendor shall be prepared to enter into a contract with the County which shall be substantially the same as the *Standard* contract included in Attachment C of this RFP. Notwithstanding, the County reserves the right to add terms and conditions, deemed to be in the best interest of the County, during final contract negotiations. Any such terms and conditions shall be within the scope of the RFP and shall not affect the basis of proposal evaluations.
- 6.3.5 If a Potential Contractor or Vendor fails to sign and return the contract drawn pursuant to this RFP and final contract negotiations within 14 days of its delivery to the Potential Contractor or Vendor, the County may determine, at its sole discretion, that the Potential Contractor or Vendor is non-responsive to the terms of this RFP and reject the proposal.
- 6.3.6 If the County determines that the apparent best evaluated Potential Contractor or Vendor is non-responsive and rejects the proposal after opening Cost Proposals, the RFP Coordinator shall re-calculate scores for each responsive Cost Proposal and award the Contract in accordance with the requirements of 6.2.5 *et seq.*, above.
- 6.3.7 Contract award shall be subject to the contract approval of all appropriate County officials in accordance with applicable County laws and regulations.
- 6.3.8 After award of the contract to successful proposer, the RFP files shall be made available for public inspection upon request.
