April 6, 2010

Solano County Sheriff's Office

After an extensive investigation, the Solano County Sheriff's Office Cal-MMET (California Multi-Jurisdictional Methamphetamine Enforcement Team) and Sol-NET (Solano Narcotics Enforcement Team) executed a search warrant in the 1100 block of Benicia Road, in the unincorporated area of Vallejo. Elvis Hernandez a 32-year old resident of Vallejo was contacted on a traffic stop on Rollingwood Drive near Benicia Road. Hernandez was detained at the scene of the traffic stop by Sheriff's patrol deputies who were operating off a search warrant the Solano County Sheriff's Office held for Mr. Hernandez, his residence, and his vehicle. Members of Cal-MMET (California Multi-jurisdictional Methamphetamine Enforcement Team) and Sol-NET (Solano County Narcotic's Enforcement Team) also executed a search warrant at Hernandez's residence. During the course of the search warrant service, deputies contacted two parolees at the residence. Jade Perry, 42-year old resident of Richmond, and Dominique Sumibcay, 32-year old resident of American Canyon were wanted by the California Department of Corrections. Detectives located over two ounces of methamphetamine inside the residence worth an estimated street value of \$2,600 - \$3000. They also seized evidence of sales, which included packaging materials, pay and owe sheets, and scales. Additionally, detectives located a loaded .38 caliber handgun and seized over \$5700 in cash, believed to be proceeds from illicit sales of methamphetamine. Hernandez was booked into the Solano County Jail on charges including sales of methamphetamine, and a convicted felon in possession of a firearm. His bail is set at \$20,000. Sumibcay and Perry were both booked in the Solano County Jail for parole violations, and are being held without bail.
